

## October is Give Methow Month

OVER THE COURSE OF THE NEXT 4 WEEKS WE WILL DESCRIBE WHO WE ARE, WHAT WE DO HERE, AND OUR FOCUS FOR THE FUTURE.

## Accomplishments

We have made significant improvements to this building for our community, tenants, and visitors. Upgrades include new windows, a bell tower, a roof, a drainage system, updated electrical systems, fiber connectivity, fresh paint, remodeled gym and kitchens, stage lighting, a paved parking lot, and security cameras that provide increased safety for all who visit the community center. These enhancements were made possible by the Community Foundation of North Central Washington, Give Methow, Twisp Alumni, the Christmas tree project, and your support. Thank you for your donation!

## Did you know?

Security cameras can result in a 50% decrease in crime and vandalism.

## What is Give Methow?

Give Methow is an annual online fundraising campaign in October supporting over 40 nonprofits in the Methow Valley. Hosted by CFNCW at [www.GiveMethow.org](http://www.GiveMethow.org), donors can contribute a minimum of \$10. Donations made on Mondays and contributions to the stretch pool enter donors into a \$500 giveaway for their chosen nonprofit.
